17 The defendant William Foote is charged with being a felon
18 in possession of a firearm in the above-entitled case;

19 On March 9, 2006, this Court ordered Foote released on
20 \$100,000 bail to a federal halfway house. The parties told the
21 Court at the detention hearing that Foote was subject to an open
22 state warrant from Solano County due to an alleged probation
23 violation, based in part on the conduct of the above entitled
24 case. The parties noted that, before the Marshals would release
25 Foote to the halfway house, he would be transferred to Solano
26 County law enforcement officials, and a state court judge would
27 have to review Foote's state custodial status.

STIPULATION AND [PROPOSED] ORDER

1 On March 12, 2006, Foote appeared before a Solano County
2 Superior Court judge, who refused to agree to release him to a
3 federal halfway house under the conditions of this Court's
4 release order. As a result, Foote cannot be released to a
5 federal halfway house.

6 Yesterday, Foote was writtten back into federal custody to
7 appear on the above-entitled case before Judge Wilken. Judge
8 Wilken set an evidentiary hearing with respect to a motion to
9 suppress filed by Foote on May 18th.

10 The parties thus hereby stipulate that this Court should
11 issue an order to revoke Foote's bail, exonerate his bond, and
12 remand Foote back into federal custody.

13 Dated: May 2, 2006

Respectfully Submitted,
